Dear Community Leader,

Each year the Public Law Center's Volunteers for Justice Dinner and Silent Auction raises critically important funds to provide access to justice for Orange County's low-income residents. This year, the Volunteers for Justice Dinner will be held on Monday, June 19, 2017 at Hotel Irvine. Last year we raised \$727,000 with over 900 supporters from Orange County law firms, civic groups, and businesses in attendance.

Our silent auction is a highly anticipated part of the evening and we are so grateful for our community's support in making it such an incredible success year after year. **We invite you to be a part of our 2017 event by donating a package to the Silent Auction.** Being that this is the largest legal event in Orange County, it is a wonderful opportunity to showcase your business to nearly 1,000 potential customers. As a silent auction donor, your donation is fully tax-deductible and you will be recognized in our online auction catalog, on our handheld bidding app, and on signage displayed with your item.

The Public Law Center's services are vital to the lives of thousands of low-income Orange County residents, and with your help, we can continue to serve those in need. Since our founding in 1981, we have provided free civil legal services to children, families, adults, military veterans and seniors who are disadvantaged by economic, health, linguistic and other barriers that make them vulnerable to injustice. **Your support truly makes a life-changing difference in providing help to people who have nowhere else to turn.**

We will gladly pick up your donated items if you are located in Orange County or you may send them to PLC at the address below. To be featured in our pre-event online catalog, we need to receive your items on or before April 28, 2017. For questions, please feel free to contact me at aschley@publiclawcenter.org or at (714) 541-1010 x265. Thank you so much for your consideration and support.

Sincerely,

April Feary Schley
